*****STOP PRESS*****

Recruitment for PODCAST ceases 31st January. All patients will be required to have an additional full, final follow-up in July/August unless they already have a scheduled follow-up in June.

Patients who have not yet had an on-treatment CT scan, and who have given consent, should have one before the end of the trial.

Congratulations to
Bradford and South Tyneside for great monitoring visits.

Upcoming Events

We will be attending the UK Stroke Forum on 2-4th December in Harrogate, hosting a stand and Investigator meeting, where we hope to present the PODCAST results. Date and time to be confirmed.

Monitoring visits

We are continuing to monitor all PODCAST centres. Upcoming visits include Whitehaven, 31st January and Solihull, 5th February.

TIPS OF THE MONTH

- Please be aware that the working practice document for closedown is on the Investigator Materials website. Each site is required to complete the checklist and fax it to the Coordinating Centre on 0115 823 1771 in order to be considered closed down.

Thank you for your continued support!
